

Rodica-Mihaela DINICA

Research projects

- Coordinator 1. **Brancuși RO/24**, research bilateral collaboration Romania("Dunarea de Jos University", Galati)–France(University «Joseph Fourier», Grenoble) 2002-2004
- Coordinator 2. *Erasmus/Socrates Agreement 1999-2009: Dunarea de Jos University*, Galati–University of Camerino, Italia
- Coordinator 3. *Erasmus/Socrates Agreement 2007-2008: Dunarea de Jos University*, Galati–University Joseph Fourier, France
- Coordinator 4. *The conception and characterization of luminescent markers with possible use in medicine and their spectrophysical and biological properties* Grant CNCSIS ,AT no 81, 2003-2005
- Collaborator 5. *Laboratory for N-heterocyclic compounds with biologic active properties, photochemical and electrochemical study* –Hetlab, Impact no. 111/sept. 2007
6. *Research Grant, CNMP Nr.71 -126/62D7/18.09.2007 (2007-2010), FILFLOSEC*, partener University „Dunărea de Jos”, Galați,400 000 lei
7. *Integrated laboratory for sensorial, microstructural and reological food analysis*, ASEMIREAL, ANCS, 715/2007
8. *Electrochemistry for nanostructurate systems, for studies of chemical and biochemical processes* ELESINAN, IMPACT, 589/2007
9. *Laboratory for biochemistry of vegetable extracts like pharmaceutical and food remedies* EXTRAVEG 07, IMPACT, 2007
10. *Integrated system for security of value marks and documents, realised in the process of obtaining and printing of support paper*, FILFLOSEC, CNMP, UDJ Partener 1, Project PNII, Contract 71-126/2007, 2007-2010
11. *Regional centre for monitoring and research of environment quality* „Dunărea de Jos” University, Galați; CEEX IV no. 299/18.09.2006(2006-2007)l
12. *Research on obtained food yellow colorants from natural sources, in agreement with modern principles of quality and safety food* Grant, CNCSIS no. 450/2004-2005
